In my capacity as Chairman of the Arab Group for the month of March, I have the honour to transmit to you herewith the text of resolution 5161 adopted by the Council of the League of Arab States on 22 March 1992, which concerns the recent charges made against the Libyan Arab Jamahiriya.

In conformity with the Pact of the League of Arab States and the covenants and treaties emanating therefrom and supplementary thereto,

Recalling its resolutions 5156, of 5 December 1991, and 5158, of 16 January 1992, affirming support for and solidarity with Libya in the matter of the American, British and French charges made against it,

Having regard for the principles of the United Nations and of the League of Arab States relating to the settlement of international conflicts by peaceful means and in a manner that does not place in jeopardy international peace and security, and particularly for the provisions of article 52 of the Charter of the United Nations,

Welcoming Libya's expression of its readiness to cooperate with the Secretary-General of the United Nations, as regards the legal aspects of Security Council resolution 731 (1992), in an impartial inquiry or an impartial or international tribunal,

Recalling the application submitted by Libya to the International Court of Justice on 3 March 1992,

Having reviewed the most recent developments relating to the incident of the United States Pan American aircraft and that of the French UTA aircraft and the persistence of the United States of America, the United Kingdom and France in escalating their campaign against the Libyan Arab Jamahiriya,

DECIDES

1. To exercise its good offices at all levels for no threats to be directed against Libya and for an attempt to be made to solve the problem by peaceful means;

2. To affirm its explicit condemnation of terrorism in all its forms, and to welcome the readiness expressed by Libya to cooperate in any international effort to eliminate this phenomenon;

3. To renew its call to the Security Council to resolve the conflict through negotiations, mediation and a judicial settlement, in accordance with the stipulations of Chapter VI, Article 33, of the Charter of the United Nations;

4. To urge the Security Council to avoid the adoption of any decision to take economic, military or diplomatic measures that might increase the complications and have an adverse impact on the region, to await a decision by the International Court of Justice on the case submitted to it on 3 March 1992 and to allow an opportunity for the efforts to be made by the committee established by the Council of the League;

5. To establish a ministerial follow-up committee consisting of Algeria, Egypt, Libya, Mauritania, Morocco, Syria and the Secretary-General of the League to be entrusted with the task of establishing all necessary urgent contacts with the parties concerned, with the President of the Security Council, with the States members of the Council and with the Secretary-General of the United Nations with a view to seeking a solution to the crisis in accordance with the provisions of the Charter and the principles of international law;

6. To consider the Council as being in continuous session, and to request the Secretary-General to follow up the implementation of this resolution and submit a report to the Council on developments in the situation.

LETTER DATED 24 MARCH 1992 FROM THE PERMANENT REPRESENTATIVE OF IRAQ TO THE UNITED NATIONS ADDRESSED TO THE SECRETARY-GENERAL

On instructions from my Government and further to our previous letters concerning violations of the cease-fire by the Kuwaiti side, I wish to inform you of fresh Kuwaiti violations, as follows:

1. Attacks by the Kuwaiti regime on Iraqi nationals living close to the frontier strip have escalated recently. On the morning of 12 March 1992, a Kuwaiti patrol opened fire on the Iraqi national Hasan Jasim Bajay as he was working on his farm in the locality of Khurdah, Safwan district, close to the frontier, hitting him in the chest so that he was taken to hospital in a serious condition. This is not the first time that Kuwaiti patrols armed with weapons that they are not authorized to carry in the demilitarized zone have attacked unarmed Iraqi nationals working or living in the area.

2. At 0830 hours on 18 March 1992, a Kuwaiti patrol opened fire on the guard post of Umm Qasr at geographical coordinates 765265 in violation of the terms of the cease-fire between the two countries.

3. At 1630 hours on 19 March 1992, a Kuwaiti patrol again opened fire on the guard post of Umm Qasr at geographical coordinates 765265, using a GC machine-gun, a weapon the possession and carrying of which is prohibited in the demilitarized zone.

The persistence of the Kuwaiti side in repeatedly carrying out such attacks is aimed at provocation and constitutes a shameful violation of all international laws and covenants.

The Government of the Republic of Iraq wishes to draw your attention to the implications of this conduct and to lodge a strong protest against these brazen attacks by the Kuwaiti side on the security of Iraq and the safety of its nationals and its frontier guard posts. The Kuwaiti side bears responsibility for the consequences of these violations.

I should be grateful if you would have this letter circulated as a document of the Security Council.
